

Global network of distant-water fishing EEZ: South Korean Exclusive Economic Zone

SUSTAINABLE
FISHERIES GROUP
UC SANTA BARBARA

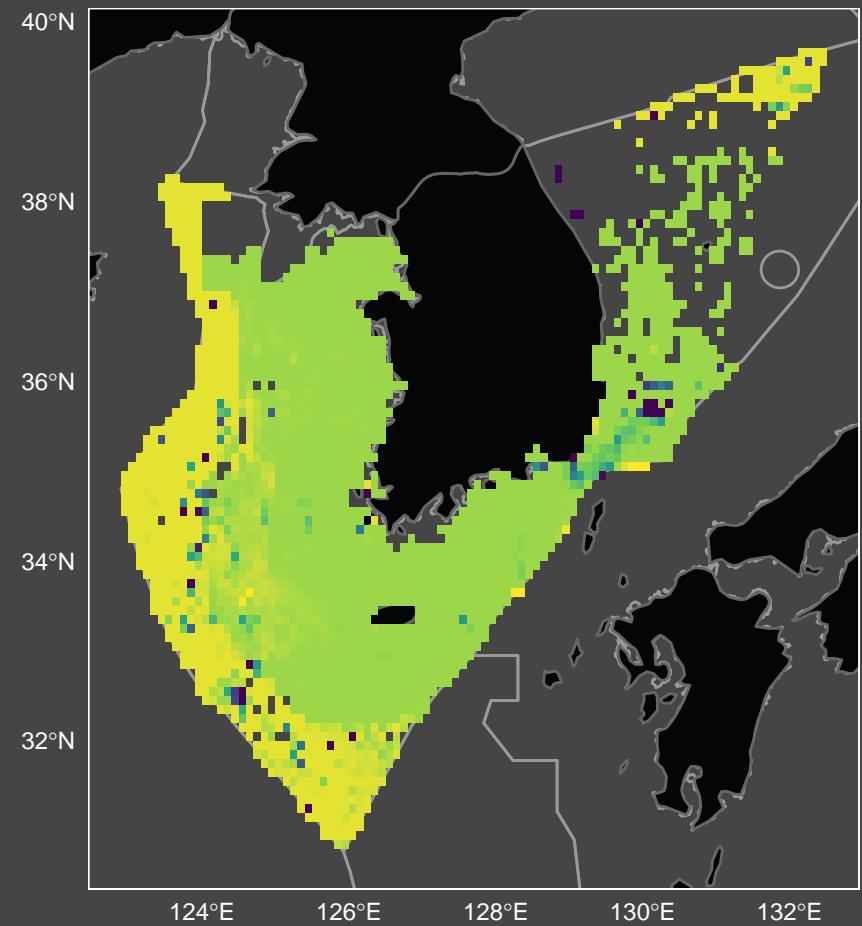

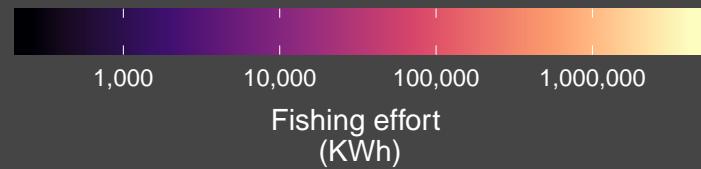

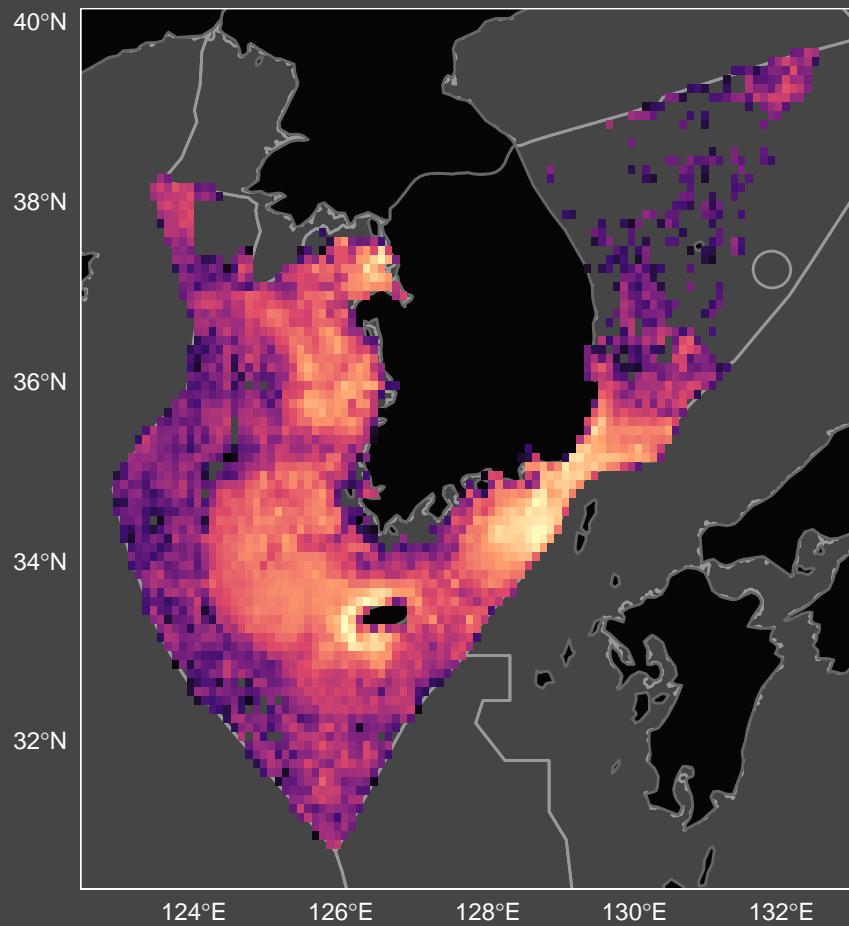

This map shows the global origins of distant-water vessels fishing in the South Korean Exclusive Economic Zone. Lines connect the EEZ (blue) with all foreign countries (pink) from which vessels fishing in that EEZ in 2018 are flagged. Data were taken from Global Fishing Watch (2018).

Global network of distant-water fishing EEZ: South Korean Exclusive Economic Zone

SUSTAINABLE
FISHERIES GROUP
UC SANTA BARBARA

These maps show distant-water fishing effort (left, KWh) and subsidy intensity (right, 2018 \$USD/KWh) in the South Korean Exclusive Economic Zone. Both fishing effort and subsidy intensity are aggregated by 0.1 degree latitude/longitude. Data were taken from Global Fishing Watch (2018).
