

Global network of distant-water fishing

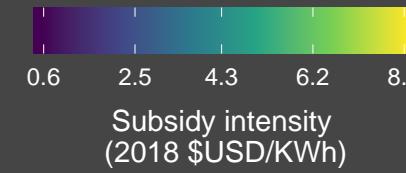

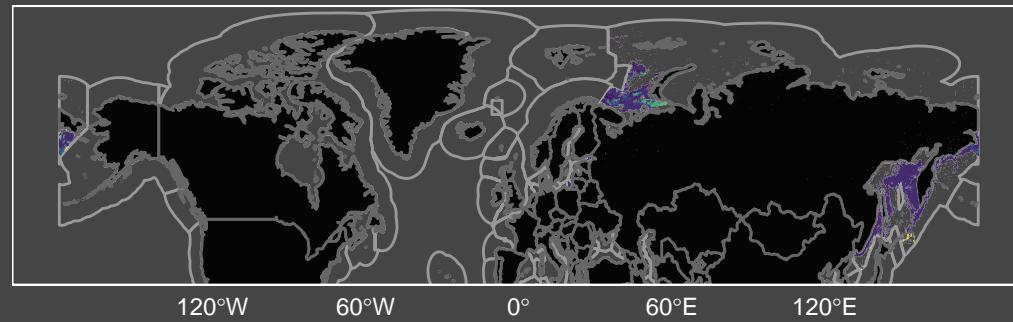

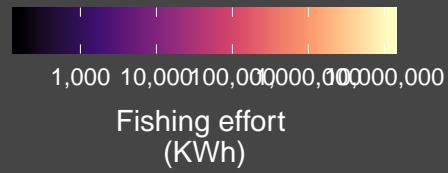

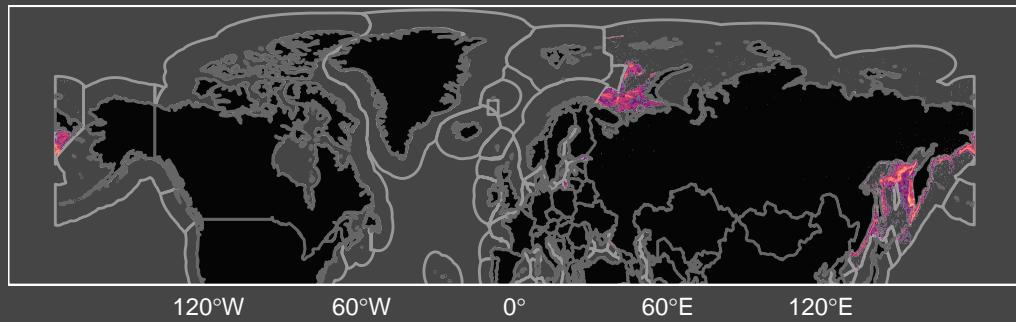

EEZ: Russian Exclusive economic Zone

This map shows the global origins of distant-water vessels fishing in the Russian Exclusive economic Zone. Lines connect the EEZ (blue) with all foreign countries (pink) from which vessels fishing in that EEZ in 2018 are flagged. Data were taken from Global Fishing Watch (2018).

Global network of distant-water fishing

EEZ: Russian Exclusive economic Zone

These maps show distant-water fishing effort (left, KWh) and subsidy intensity (right, 2018 \$USD/KWh) in the Russian Exclusive economic Zone. Both fishing effort and subsidy intensity are aggregated by 0.1 degree latitude/longitude. Data were taken from Global Fishing Watch (2018).
